Weekly Newsletter

Friday 30th September 2016

Mobile phones

Unless your child walks to and from school on their own, we would be grateful if they would leave their phones at home. This will ensure the phones are safe and will avoid any inappropriate use of the phones during the school day. School cannot be held responsible for loss or damage to phones brought in. Thank you for your co-operation.

BIKE LOCKS

Can we once again remind you that school cannot be held responsible for bikes and scooters left on the premises. If being left they need to be chained to the bike rack and padlocked.

Parent Governor Election - Request for Nomination

There is still one vacancy left for a parent governor on our school's governing body. Please call into school office if you require a form thank you.

Dates for your Diary

Open afternoon
Friday 7th October at 2.00p.m
More information to follow.

Late Children

A priority this year for us is to reduce the number of children arriving late to school. As a reminder school starts at 8.50am and all children are expected to be in school for this time. Letters will be going out for any children who have arrived late during the week and persistent lateness may be brought to the attention of the school's ESW. If there are any problems with this or any other matter please contact Jane Hand at the school.

Childhood influenza vaccination programme

We have been advised by Public Health Wales that in 2016/2017, as well as children in Reception class, Year 1 and 2, children in Year 3 will also be offered a nasal spray flu vaccine in school. These will take place in school on Thursday November 10th.

They have also asked us to highlight the importance of being up to date with your child's immunisations to prevent catching and spreading of serious diseases such as whooping cough and measles. Please check with your doctor's surgery that your child is up to date with their immunisations.

Thank you for your help

Attendance for 19/09/2016 - 23/9/16

Whole School - 92.5%
