HARVEST

As many staff and parents at Maes Y Mynydd have received support from Macmillan nurses, we have decided to make it our harvest charity for this year.

We will be making up a range of hampers which will be in a raffle. Each department will have a particular theme to their hamper but you are very welcome to buy tickets for any of the hampers.

Your child's class will send a letter early next week to ask for donations for the hampers and we will send out raffle tickets which you can buy. Additional tickets will be on sale for all the hampers should you wish to buy any more.

Thank you for your support for this very worthy charity

BIKE LOCKS

Can we once again remind you that school cannot be held responsible for bikes and scooters left on the premises? If being left they need to be chained to the bike rack and padlocked.

Parking

Despite repeated requests, a number of parents are still driving onto and parking on the staff car park. Please can you park in the allocated spaces outside the school gates?

Thank you for your cooperation.

Childhood influenza vaccination programme

We have been advised by Public Health Wales that in 2016/2017, as well as children in Reception class, Year 1 and 2, children in Year 3 will also be offered a nasal spray flu vaccine in school. These will take place in school on Thursday November 10th.

They have also asked us to highlight the importance of being up to date with your child's immunisations to prevent catching and spreading of serious diseases such as whooping cough and measles. Please check with your doctor's surgery that your child is up to date with their immunisations.

Thank you for your help
