Sickness Bug

Quite a few children and a number of staff have had a stomach bug this week. To stop the spread of the bug we would be grateful if you would keep your child at home if he or she has any symptoms and keep them off for 48 hours to ensure they are bug free before sending them back to school. We cannot stop the bug from spreading completely, but if we all work together we can hopefully limit the effect.

Last week's
Stars of the Week

Film Club at the STIWT

Tuesday 29th will be the last
Film Club until the New Year and

Whole School - 91%

Class of the Week

**Well done
Rowan Class
Miss Jones - 99%**

Safe Walking around school

Just a reminder regarding the green markings around school. These are the Safe Walking routes should the playground be icy. We hope we won't need them too often but as winter approaches green paths will be gritted first. Please ensure you follow the paths to avoid slippery surfaces.
