Christmas Concerts

At the end of a very busy week of concerts I wanted to say a very big thank you to the children and the staff for their hard work. I'm sure you'll agree that it has been a pleasure to see the enjoyment that the children have shown and the quality of the performances. I would also like to thank all of you who have supported the concerts. It means a lot to the children having a family member in the audience. All proceeds from concerts will be shared between classes to buy games and activities for Friday choosing time that the children have asked for.

We're making communication easier, faster and more effective

I'm pleased to advise that we've introduced a new text and email service – 'School Gateway'.

This means that we can communicate with parents/carers more quickly and cost effectively via email, text and smartphone app.

Please see letter for further information on downloading the app and please let us have your email address as soon as possible.

Thank you

Social media

Despite my announcements at ALL concerts this week, it has come to my attention that a few parents have uploaded pictures and videos onto social media that include other children apart from theirs. Having these photographs made public may potentially put children at significant risk. Please remove any photographs or videos immediately. If parents do not cooperate with this request, we may need to stop all of you from taking photographs in the future, which would be a shame, but we have to ensure the safety and privacy of all the children. Thank you for your co-operation.
